Real and Relevant

PLEASE! Just ONE thing church....

Every once and awhile I have a moment of great clarity in the Lord. This is a moment of crystal clear thought for those who call Church On The Rock home. There is just **ONE** thing that is deeply needed. We **MUST** be close to Jesus. In love with, hearing from, walking with, surrendered to Him... nothing else is even worthy of comparison.

We must allow **no idols**. Religious experience, church, marriage, children, careers, and ministries all pale in comparison to the undeserved & unparalleled honor of being intimate with Christ. For this Christ died – that we may **know HIM!** Holding Christ above all other things places all other things in proper perspective. Anything that we can lose or anything that can be taken from us is temporary. While the loss may hurt it will not devastate. To lose intimacy with Christ is devastation. PLEASE, BE CLOSE TO JESUS AND YOU WILL HAVE A GREAT NEW YEAR.

With Christ's love,
 Pastor jeff

What is more, I consider everything a loss compared to the surpassing greatness of knowing Christ Jesus my Lord, for whose sake I have lost all things. Phil 3:8

Dear children, keep yourselves from idols. 1 John 5:21
